

# “MOTHER’S DAY PLANT & GARDEN FAIR”

Camas, Washington

Presented by the Columbia Gorge Women’s Association

**Saturday, May 12, 2012**

**9 AM to 4 PM**

**Site: Camas High School**

Enclosed you will find this year’s application. Returning your entry fee with your application will insure a space is reserved for you. Please remember, only garden related items may be displayed/sold.

Please send applications to:

**CGWA  
P.O. Box 572  
Camas, WA 98607**

**Deadline: March 23, 2012**

Our **Camas High School** location provides more flexibility for you, our vendors, with larger spaces, and easier access. This location offers more close-in parking for both vendors and customers. Those vendors who want and/or need to restock during the hours of the fair will be able to do so much more easily, though there will still be restrictions in the interest of safety for the customers walking around. Please indicate on your application if you might need to restock during the event. At CHS we offer larger booth areas and a more accessible pick-up area.

Our booth sizes are approximately 20x20. On the back of this letter is a map of the school grounds showing the area devoted to vendor booths. As in the past, if you have a specific desire for a particular site, please note that on your application. We will make every effort to accommodate your requests.

Please remember there is no electrical power available and we need each vendor to carry out their own trash as there will be no city cleanup after the event.

**Set-up time will start at 5:30 AM. Take down activities must be completed by 5 PM.**

- **One of the facets of the popularity of this event is that it is a garden & outdoor fair, not a craft fair and not a flea market. Please make sure that ALL of your items for display or sale are for outdoor use.**

**\*\*\*\* Reminder - Please watch your cash boxes carefully. It’s probably best to keep your money on your person if you can.\*\*\*\***
