**Deadline: March 27, 2009**

Note: Due to the increasing popularity of this event resulting in significantly more attendees as well as vendors, the Camas police and fire department have instituted new rules for parking in the interest of safety for all.

**There will be absolutely no parking allowed inside the barricades after 8 AM. The CPD has informed us that violators will be towed and fined. There will be designated disabled parking.**

Set-up time will start at 5:30 AM. Take down activities must be completed by 5 PM. We are also establishing a pick-up area where customers may leave their purchases and then load them into their vehicles to further eliminate congestion around the fair area.
